This decision is in response to applicants' Petition Under 37 CFR 1.182, filed with the United States Patent and Trademark Office on 30 October 2007. The petition fee will be charged to deposit account no. 06-1050, as authorized.

BACKGROUND

On 06 July 2006, applicants filed national stage papers in the United States Designated/Elected Office (DO/EO/US). The papers listed international application no. PCT/US2005/003755 on the transmittal letter, but listed international application no. PCT/US2005/003775 on the preliminary amendment.

On 30 March 2007, the Office mailed Notification of Missing Requirements (Form PCT/DO/EO/905) indicating that an oath or declaration of the inventors and the surcharge for late filing of the search fee, examination fee or oath or declaration were required. The Notification set a two month period for response.

On 01 August 2007, applicants filed a declaration of the inventor, accompanied by the surcharge and the fee for a three month extension of time.

On 27 August 2007, the Office mailed Notification of Defective Response (Form PCT/DO/EO/916) indicating that the declaration did not list the correct inventors for PCT/US2005/003755.

On 30 October 2007, applicants submitted a petition under 37 CFR 1.182 to correct the national stage information in the above application to indicate it is a 371 filing of PCT/US2005/003775.

DISCUSSION

Applicants have explained that the paperwork was intended as a national stage entry of PCT/US2005/003775. The indications will be corrected in the file and the file will be processed as a national stage entry of PCT/US2005/003775.

CONCLUSION

For the reasons listed above, the Petition Under 37 CFR 1.182 is **GRANTED**.

This application is being forwarded to the National Stage Processing Division of the Office of Patent Application Processing for continued processing consistent with this decision, including mailing of a corrected filing receipt. The application has a 35 USC 371(c)(1), (c)(2) and (c)(4) date of 01 August 2007.
